Handi, Kadhai aur Tawa

A handi is a thick bottom pot in which food is tightly sealed and cooked on a slow fire. There are two main aspects to this style of cooking “bhunao” and “dum” of a prepared dish. Each dish has its own selection of spices that enrich it. Kadhai dishes are quick stir fried style cooking using very little, or more often, no water, the idea is to cook all the ingredients together. The ingredients cook in their natural juices as they are stirred, creating another subtle layer of delicious, mouth-watering flavor. Tawa cooking is done on a flat frying pan or griddle usually made of cast iron in which food is cooked using bare minimum oil and cooking time is short and fast.

Bread features prominently in all cultures of the world.

More than just a staple it is a symbol of the basic necessities of the human race. In India most flatbreads are made with different flours like atta, maida, makai and water. They can be either baked, griddle cooked, or deep fried. Some breads are leavened and yet some are unleavened.

Traditionally breads were prepared in the tandoor complementing the classic grand cuisines. Often they were developed as a perfect accompaniment to a particular dish and served to enhance its aroma and flavor.

Mercure Etnia – Chardonnay

670

The grapes come from different growers in Chile’s Central Valley, where there is a predominance of alluvial soils in most areas. A wide range of strategies is used in managing the canopy, all aimed at maximizing the amount of sunshine reaching the area where the fruit is ripening.

Paul Mas - Sauvignon blanc

670

Light with refreshing acidity, Paul Mas Sauvignon Blanc is different to the fruit ripe New Zealand style Sauvignon, which is packed with passionfruit. In place are gooseberry and lifted white floral notes aroma on the nose. Great steeling mineral on the palate. A fantastic example from the region.

Mancura Etnia – Merlot

670

A wide range of strategies is used in managing the canopy, all aimed at maximizing the amount of sunshine reaching the area where the fruit is ripening. The preferred technique consists in training the shoots vertically, which improves their exposure to the sun’s rays and enhances the development of flavor in the fruit.

L'ESPRIT DE BACCHUS - Merlot & Cabernet sauvignon 670

A lovely shiny ruby color with a complex nose of red berries with floral and spicy notes. In the mouth, aromas of ripe fruit, very expressive, with supple tannins, round, full-bodied wine with a long finish.

Filipetti moscato rosato bottle – Rose

3499

A great representative V.S.Q. Moscato Rose, this sparkling wine has delicate bubbles. The aroma has pronounced peach and strawberry notes, along with an accent typical of Muscatel and green apples. On the fresh & fruity palate, you can taste cherries, melons, and a persistent effervescence that makes it delicious enjoy chilled with dessert, pastries or even as an aperitif
